----------CURRICULUM VITAE

(updated on 31 March 2015)

Name:	JENZER Helena
Date & Place of birth :	December 3, 1956 at Zug
Marital status :	Married (since March 21, 1986)
Children :	2 daughthers (born Nov 10, 1990 & Jan 9,1994)
Citizen of:	Thunstetten BE / Switzerland
Address:	Bahnhofstr. 14
	CH-1797 Münchenwiler BE
Phone and Fax home:	+41 26 670 43 85
Mobile :	+41 79 401 92 35
e-Mail:	helena.jenzer@bluewin.ch

Pre- & post-graduate Education & Diploma

2014	Diploma "**University Didactics"**
2006	University of Bern, **Certificate "Zusammenarbeit im Gesundheitswesen"** (Modules: 1995 Economy, 1995 Legislation, 1996 Data Protection, 1997Politics and Policies, 1997 Management, 1999 Mediation, 2000 Ethics, 2001 Financial Management, 2002 Human Resources' Management, 2003 State of the Art of Negociations, 2004 Knowledge Management)
2001	Diploma « **Hospital Pharmacist FPH** »
1984-1987	Thesis in Pharmaceutical Sciences, Clinic of Internal Medicine, Inselspital Bern, Departement Endocrinology, **Degree of Doctor of Pharmacy**
1981-1984	University of Bern, School of Pharmacy, **Diploma of the Swiss Confederation as a pharmacist**
1980-1981	University of Bern, Certificate of Bachelor of Pharmacy (Junior fellowships at the Cantonal Hospital Pharmacy and at the retail Pharmacy Paulus at Luzern)
1978-1980	University of Fribourg, Certificate of Natural Sciences for Pharmacists
1976-1977	University of Zürich (Anglistics, 5 terms, examinations passed : Phonetics, Literature, Old and Middle English, Linguistics)
1969-1975	Secondary school : Kantonsschule Zug (School-leaving Certificate : **Matura type B**)
1963-1969	Public elementary schools at Luzern, Cham, and Zug

Professional training and Experiences

2011	Bern University of Applied Sciences, Lecturer / Head aR&D Nutrition and Dietetics (**Professor**'s degree)
2007-2010	Inselspital - Bern University Hospital, Department DOLS, Institute for Hospital Pharmacy, **Head Manufacturing Section**
2007	**Deputy Qualified Person** (Octapharma AG) and **Fachtechnische Leiterin** (Octapharma Schweiz AG)
1996-2006	**Head of Hospital Pharmacy** of Hôpital cantonal Fribourg

1989-1996	Vice-head of Hospital Pharmacy Inselspital Bern (Dr. H.-R. Widmer)
1987-1996	**Hospital Pharmacy** Inselspital Bern (Dr. H.-R. Widmer), resident, **Head of Analytical Department**
1984-1987	**Thesis** (« Molecular mechanisms and side reactions of thyroid hormone biosynthesis »), Clinic of Internal Medicine, Inselspital Bern, Departement Endocrinology (Prof. Dr. H. Studer & Dr. H. Kohler)
1981-1987	Junior fellowships at Fribourg, Valais, and Luzern

Teaching

2013-date	Reviewer for articles submitted to EJHPharm[1] (BMJ)
2011-date	Reader / Lecturer at Bern University of Applied Sciences
2007-date	Reviewer for articles submitted to Medical Science Monitor
2007-date	Editorial board member and referee for articles submitted to The Open Dermatology Journal
1996-date	Teaching at various schools for health professionals (nursing staff, nutritionists) and institutions bound to hospital professions (pharmacy assistantes, probationers)
1995-2013	Reviewer for articles in pharmaceutical analytics submitted to the EJHP[2] (Science and Practice) and MSM[3] (Elsevier)
2003-2008	Lecturer (“Chargé de cours”) for 1st and 2nd year’s courses « Introduction aux téchnologies pharmaceutiques», University of Fribourg (16 + 16 lessons / year)
2004-2008	Member of the examination board and expert for 1st and 2nd year’s examinations at the site of Fribourg
2006	Chairmanship and Lecture « Wundversorgung», Advanced Studies, Specialisation Course « Spitalpharmazie », University of Basel
2005	Chairmanship and Lecture « Wundversorgung», Advanced Study Center, Kurse Spitalpharmazie, University of Basel
2004	Accreditation as Teacher for 5th year’s students’ trainings
2004	Chairmanship and Lecture « Qualitätskontrolle im Rahmen der QS in Spitalapotheken», Specialisation Course « Quality Assurance », University of Basel
2003	Accreditation of the Pharmacy of the Hôpital cantonal Fribourg as a Teaching Hospital Pharmacy type A (all activities) for post-graduate training in hospital pharmacy
2003	Accreditation as Teacher FPH for the post-graduate Training Program in Hospital Pharmacy
2003	Lecture « e-Quality Manual », Specialisation Course « Quality Assurance », University of Basel
1999-2003	Reviewer Journal of European Hospital Pharmacy
1987-2003	Teaching of pharmaceutical analytics to 3rd year’s students, University of Bern (idem ad interim, University of Basel)
1987-2003	Expert of pharmaceutical federal intermediate examinations in the fields „analytics“, „pharmacopoeia" and „laws“
1987-1996	Teaching of pharmacology & toxicology at the school for technical assistants in radiology ATRM[4]

[1] EJHPharm European Journal of Hospital Pharmacy
[2] EJHP European Journal of Hospital Pharmacy
[3] MSM Medical Science Monitor
[4] ATRM Assistantes et assistants techniques en radiologie médicale

1988-1996	Deputy of the President for pharmaceutical federal examinations at the site of Bern
1996	Reviewer for analytical thesis, Pharmacy School, University of Bern
1991	Lecture « Analytik in der Spitalapotheke » (Post-graduate Course « Hospital Pharmacy », University of Basel)

Network (Professional Associations)

- Teamwork in alliances: public hospitals, nursing homes and public institutions
- Membership in councils and task forces (e.g. Blood donation Trust)
- Professional Associations (actual and past)
  - European Association of Hospital Pharmacists (http://www.eahp.com)
  - European Society of Clinical Pharmacy (http://www.escp.nl)
  - European Society of Parenteral and Enteral Nutrition http://www.espen.org)
  - Swiss Food Research (http://www.foodresearch.ch)
  - Swiss Food Net (http://www.swissfood.net)
  - The Society of Free Radical Research (http://www.sfrr.org)
  - Society for Free Radical Biology and Medicine (formerly « The Oxygen Society ») (http://www.sfrbm.org)
  - The Nitric Oxide Society (http://www.apnet.com/no)
  - Gesellschaft schweizerischer Amts- und Spitalapotheker (http://www.gsasa.ch)
  - Schweizerische Chemische Gesellschaft (http://www.swiss-chem-soc.ch)
  - Schweizerischer Apothekerverband / pharmaSuisse (http://www.sphin.ch)
  - Schweiz. Gesellschaft für Wundbehandlung (http://www.safw.ch)
  - Gesellschaft für Klinische Ernährung der Schweiz (http://www.geskes.ch; http://www.ssnc.ch)
  - Freiburger Chemische Gesellschaft
  - Collège des médecins de l'Hôpital cantonal de Fribourg
  - Groupement des Pharmaciens Hospitalier Romands
  - « Groupe de Réflexion» Chef-Apotheker

Membership in working groups and committees

2014-date	Member of the Scientific Committee of the SFR[5]
2012-2013	Member of the Board SFR
2009-date	Member of the Scientific Committee of the EAHP[6]
2005-2009	Member of the Scientific Advisory Group of the EAHP
1988-2008	Member of working group „Analytics" GSASA (including implementation of the GSASA Clearing Centre for contested drugs)
1994-2006	Delegate GSASA to the SCS[7]
1996-2006	Delegate of the Hospital Pharmacy to various committees • Commission des responsible (presidency) • Commission d'achat • Commission d'hygiène

[5] SFR Swiss Food Research
[6] EAHP European Association of Hospital Pharmacy
[7] SCS Swiss Chemical Society

- Commission de nutrition
- Groupe de travail cytostatiques
- Groupe antalgie
- Groupe soins des plaies
- Convention fribourgeoise pour l'approvisionnement en responsible des hôpitaux de district et des institutions cantonales (responsible)

1996-2006 Member of the Foundation Council of SRT-CRS[8]

2000-2006 Presidency of task force preparing GMP/PIC inspection (First time of permission of production for the Pharmacy of the Hôpital cantonal Fribourg)

2001-2005 Advisory Board Thrombosis (Sanofi-Synthelabo / GlaxoSmithKline)

2003-2004 Member of the Committee « Lernzielkatalog zum Weiterbildungsprogramm FPH in Spitalpharmazie »

1997-2001 Chief administration officer of GSASA (including developpement of the first edition of the societies' home page http://www.hin.ch/gsasa, as well as collaboration to the following editions at URL http://www.gsasa.ch/, change management of the society, and revision of the statutes)

2001 Presidency of task force for the development of the site's electronic quality manual of the Pharmacy of the Hôpital cantonal Fribourg (first Swiss development)

1993-1996 Presidency of the project « Drug Management am Inselspital »

1991-1992 Delegate GSASA to the ASN[9]

1987-1991 Head of working group „Information Technology" GSASA[10]

Languages

German (native speaker), fluency in English and French

Private Activities

- Kulturverein Münchenwiler (culture club)
- Tauch-Club Murten (diving club)

Political and public Activities

1999-2005 President of the Supervising Committee of the Public Elementary School of Münchenwiler / Clavaleyres

1995-1998 Member of the Common-Council of Münchenwiler (Vice-President, no political party membership)

[8] SRT-CRS Service régional de transfusion sanguine de la section fribourgeoise de la Croix Rouge Suisse
[9] ASN Association Suisse de Normalisation (= SNV, Schweizerische Normenvereinigung)
[10] GSASA Ges. Schweiz. Amts- und Spitalapotheker, Soc. Suisse des Ph.ciens de l'Adm. et des Hôp.

----------PUBLICATIONS

Thesis

Jenzer H. Molecular mechanisms and side reactions of thyroid hormone biosynthesis. 1987 ; Inaugural Dissertation submitted for the degree of Doctor of Pharmacy in the Faculty of Medicine of the University of Bern.

Peer-reviewed Journal Publications

Congress / Symposium Organisations & Chairmanships

2014 EAHP Academy Camp on Pharmacoepidemiology. 15 – 18 September 2014, Prague, Czeck Republic (stakeholder and facilitator)

2014 Workshop on Orphan Drugs. 24 – 27 march 2014, 19th Congress of the European Association of Hospital Pharmacists, Barcelona, Spain (stakeholder and facilitator)

2014 Oral Presentations. 24 – 27 march 2014, 19th Congress of the European Association of Hospital Pharmacists, Barcelona, Spain (chairmanship)

2013 EAHP Academy on Pharmacoeconomics: Tools, strategies and beyond, 12 - 15 September 2013, Lisbon, Portugal (stakeholder and facilitator)

2013 Seminar: A multidisciplinary approach to nutrition. 18th Congress of the European Association of Hospital Pharmacists, 13 - 15 March 2013, Paris, France (stakeholder and facilitator)

2013 Seminar: Innovative approaches to wound care. 18th Congress of the European Association of Hospital Pharmacists, 13 - 15 March 2013, Paris, France (stakeholder and facilitator)

2012 Seminar: Survival of hospital pharmacy preparations - standards for quality and safety, where to go? An interactive debate. 17th Congress of the European Association of Hospital Pharmacists, 21 - 23 March 2012, Milano, Italy (stakeholder and facilitator)

2012 Oral Presentations. 17th Congress of the European Association of Hospital Pharmacists, 21 - 23 March 2012, Milano, Italy (chairmanship)

2011 Seminar: How to grow clinical pharmacy and keep adding value. 16th Congress of the European Association of Hospital Pharmacists, 30 March – 1 April 2011, Vienna, Austria (stakeholder and facilitator)

2010 Seminar: Planning and running nutritional care in hospitals. 15th Congress of the European Association of Hospital Pharmacists, 24-26 March 2009, Nice, France (stakeholder and facilitator)

2009 Seminar: Automation in Reconstitution and Small-scale Preparation. 14th Congress of the European Association of Hospital Pharmacists, 26-27 March 2009, Barcelona, Spain (stakeholder and facilitator)

2009 Seminar: The Role of the Hospital Pharmacists in Implementing IT and Automation. 14th Congress of the European Association of Hospital Pharmacists, 26-27 March 2009, Barcelona, Spain (facilitator)

2008 Seminar: Hospital pharmacies make medicines available. 13th Congress of the European Association of Hospital Pharmacists, 27-29 February 2008, Maastricht, the Netherlands (facilitator)

2007 Kurs Spitalpharmazie « Wundversorgung», Advanced Study Center, University of Basel (chairmanship)

2007 Seminar: The GMP challenge: future for production and reconstitution in Hospital Pharmacy. 12th Congress of the European Association of Hospital Pharmacists, 21-23 March 2007, Bordeaux, France (facilitator)

2006 Seminar: The need for drug information exchange across European countries: creating a European information service network. 11th Congress of the European Association of Hospital Pharmacists, 20-22 March 2006, Geneva, Switzerland (facilitator)

2005 Seminar: How clinical decisions are influenced by economic factors. 10th Congress of the European Association of Hospital Pharmacists, 16-18 March 2005, Lisbon, Portugal (facilitator)

2004 « Qualitätskontrolle im Rahmen der QS in Spitalapotheken», Specialisation Course « Quality Assurance », University of Basel (chairmanship)

2002 SGI / GSASA Symposium, Lugano, « Central Intravenous Additive Service (CIVAS) » (chairmanship)

2001 GSASA Assembly & Symposium, Genève (general organisation)

2000 GSASA Assembly & ESCP Congress « New Technologies : Pharmacists and Patients », fall meeting, Basel (general organisation)

2000 GSASA Assembly & Symposium « Antidota », spring meeting, Zürich (general organisation)

1999 GSASA Assembly & Symposium « Apercue des travaux en pharmacie hospitalière 1993-1999 », fall meeting, Interlaken (general organisation)

1999 GSASA Assembly & Symposium « Pain therapy », spring meeting, Locarno (general organisation)

1999 Pfizer Symposium, 28 janvier 1999, « La sécurité des médicaments en milieu hospitalier chez le patient âgé », Bern (chairmanship)

1998 GSASA Assembly & Symposium «50th anniversary of GSASA » , fall meeting, Sion (general organisation)

1998 GSASA Assembly & Symposium « Journées franco-suisses de pharmacie hospitalière », spring meeting, Montreux (general organisation)

1997 GSASA Assembly & Symposium GSASA/GESKES « Enteral and Parenteral Nutrition », fall meeting, Interlaken (general organisation)

1989 GSASA Symposium « State of the Art of Information Technology in Hospital Pharmacy», Bern (local organisation & chairmanship)

Awards

2012	EAHP Poster Prize nominee
2010	EAHP Poster Prize nominee
2002	GSASA Award for the development of a ready-to-use short-infusion of paracetamol (acetaminophen) (1st Poster Prize)
2001	Wundpreis Convatec / SAfW[11] for the conception of a global interdisciplinary approach of wound care

[11] SAfW Schweizerische Akademie für Wundpflege, Société suisse pour les soins de plaies
